# Our New Home

## St. Martin's Anglican Church

**1009 Prominence Way SW, Calgary**

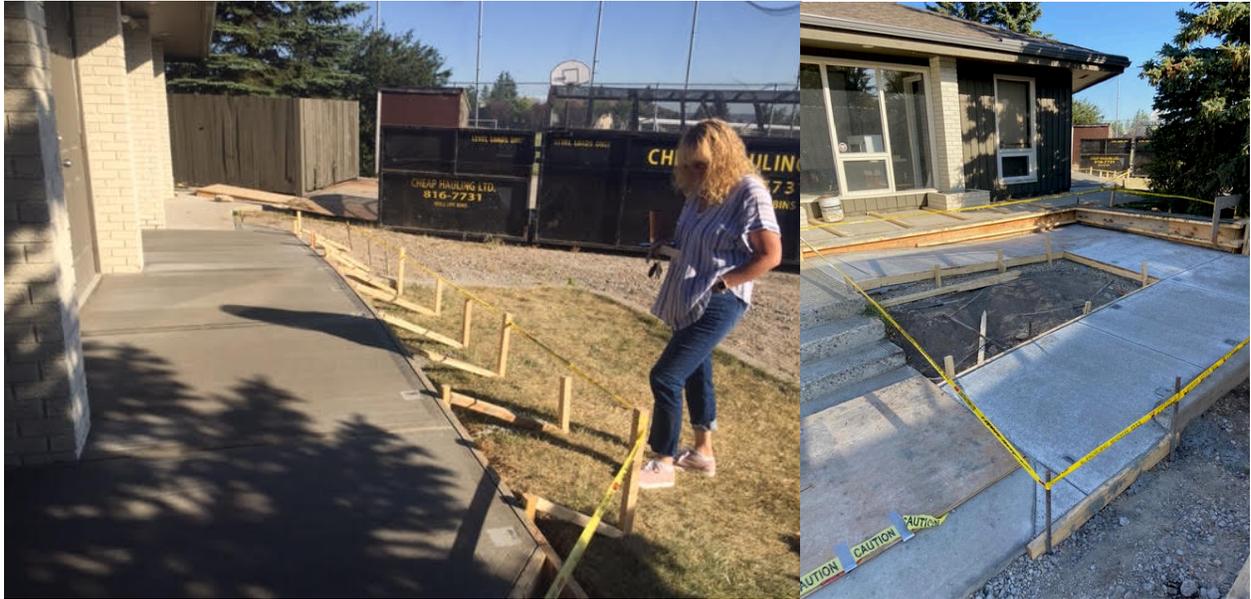

**ANOTHER WEEK OF PROGRESS!**

Each week there is progress on the construction that is transforming the outside and inside of our Church. Entranceways are being framed; Corridors are taking shape as drywall is installed. Ramps will allow for easy access throughout the year.

As each week the construction continues to move forward, the spirit of our new church takes shape.

## EASY ACCESS RAMPS AT THE FRONT ENTRANCE Next Step Railings

## More Drywalling, More Insulation

## **The Exciting Mystery of The Triptych**

Three rectangular stained glass windows have been in storage for twenty years in a wooden crate. We know very little about their history and could find no information about where they were in the old church or hall. There were no pictures to show what they looked like. In their storage crate we had only seen the top one which looked like a colourful abstract design. We always assumed the other two were also abstracts and now we hope to use them in our new church.

Last Friday the three windows were unpacked to see how they would work in the mock up light box built by the electrician. Amazingly the panels are actually a triptych of the foothills and mountains with a sunset. Here are two of them.

The work is signed R.Kilburn 1983. Preliminary research indicates the well-known Canadian artist Rosemary Kilbourn. Perhaps someone in the congregation can help provide more information on the work.

**HOMECOMING SUNDAY  
SEPTEMBER 13<sup>TH</sup>, 2020**

Mark the date for a Morning Prayer Service at  
10:00am in our new church parking lot.

Watch for details on how to register.

Due to Covid 19 everyone planning to attend should register to ensure contact tracing if necessary and that we do not exceed the maximum of 100 participants..

After the service we will move to the park at the corner of Patterson Boulevard and Patina Drive SW for a parish picnic. Bring your chairs, blankets, food, beverages and enjoy the last of summer. Depending on the weather you might want to bring an umbrella!
