**THE CHURCH EMERGES FROM THE HOME**

Sunday September 27 some Parishioners were pleased to see the progress on the renovations and just how close we are to completion.

The following pictures will provide a glimpse for all who were unable to attend the tours.

Once again William was a very informative and great tour guide.

Thank you William.

## **WE HAVE SPARE CEDAR PLANKS ANY IDEAS TO REPURPOSE THEM ?**

During demolition, a wall of unfinished cedar planking was removed from the sanctuary. Thirty-seven planks, ranging from 6'-8' are looking for a new use.

Currently the wood is being stored outside under plastic. These planks will need to be stored somewhere until they are repurposed. If you have any ideas for their next use, please contact Laurie McIntosh ([mcin2002@telus.net](mailto:mcin2002@telus.net))

### **WOO HOO! COME ALONG TO A PAINTING PARTY!**

On Saturday October 3, 10 am, we will be painting the parking lot curb to define parking lot spaces. All help is appreciated.

Please wear old clothes as we are using yellow traffic paint. Bring along an old paint brush (4" or less) if you have one; a plastic container to hold paint (which can handle a 4" brush) and a mask (in case you are working near someone outside of your cohort). We will provide Paint, Painting tape, Stencil and Garbage bags.
